

From the Office of Institutional Advancement...

Dear Colleagues—

We are all sensitive to the multitude of needs that take place on our campuses and sites. In order to be able to fund some of the requests we receive, we are always exploring any opportunities that may be available for us to be able to raise funds for your causes.

Two sources that we have been able to research fit well into the category of raising discretionary dollars. We have registered our college name with the Winn-Dixie *Community Pals*. All you have to do is bring the coupon below into your favorite W-D store and have the cashier scan both the coupon and your Customer Reward Card at any participating Winn-Dixie.

From that point forward, every time you scan the card, the total of your order will be credited to our college. (If you do not have a W-D Customer Reward Card, you can obtain it at any W-D store). Winn Dixie will send us a check based on a percentage of the total dollars credited to us. We can earn up to \$1800 each quarter.

The second source of discretionary dollars comes from a website entitled *iGive.com*. Simply go the iGive website and sign up for free membership and include Delgado as your charity of choice. This credit applies to only your online purchases.

It is easy to maneuver through the site. Step 1—"Select My Cause" at upper right. Then enter Delgado in the keyword search. It will bring up the DCC Foundation. Choose DCC Foundation and enter "Select this cause." That will bring up the registration information. Once you have completed this one time registration, you will view a list of over 700 national stores. When you click on your chosen shopping venue, a box will appear telling you what percentage of your online purchases will be sent to DCC.

Please remember to encourage your friends and family to also participate in these programs. Remember the Winn-Dixie coupon that we are providing to you will only need to be scanned once into their computer and then you can discard the coupon.

We hope that with some of these funds you will be able to provide the activities that enhance our student's quality of lifetime learning on our campuses and sites. Please call upon us whenever we may be of service to assist you. Thank you and happy shopping!
