ALUMNI F.Y.I. . . .

Aaron Hotard – Delgado 2004 alumnus, is currently a Building Designer with Favrot & Shane Companies. He is organizing a Southeast Louisiana Band Alumni Association. His plan is to bring together a variety of former marching band members from the surrounding region to create a huge band of diversity for Mardi Gras 2010 and beyond. Aaron remarked, “While many schools throughout the country are getting rid of music and arts programs because of funding shortages, it is the hope of this group, in fulfilling our own love for music, that we can also inspire our younger generations to do the same”

If interested in becoming a part of this group, please visit the website <http://mardigrasband.collectivex.com> for more information.
