MEDICAL CODING PROGRAM APPLICATION INSTRUCTIONS

Thank you for your interest in the **Medical Coding Program** offered through Delgado Community College, City Park Campus.

This program is a limited admissions program which accepts one class of no more than 20 students to start each year in August. The program is a three semester part-time time commitment composed of online courses, face to face laboratory courses at City Park Campus and off-campus professional practice experience at a health care facility.

APPLICATIONS ARE ACCEPTED THROUGH APRIL 30TH EACH YEAR FOR THE CLASS THAT BEGINS IN AUGUST. Applicants must have successfully passed all required pre-requisite courses prior to entering the program (successfully completing these courses during the summer prior to program entry is acceptable).

Selection Process:

- a. Applications will be reviewed in May and June. Students will be notified of eligibility via Delgado email and personal email listed in LOLA only. Eligibility includes:
 - a. A completed application
 - b. A cumulative grade point average (GPA) of 2.0 or better in all college courses, including all colleges attended.
 - c. Major must be listed as Medical Coding.
 - d. Completion of required pre-requisite courses with a grade of "C" or better prior to program entry date (August).
 - e. Completion of narrative returned with application.
 - f. Completion of Acknowledgment of Physical/Technical Requirements Form
 - g. Attendance at the "Mandatory Candidate Orientation" on June 13, 2019, promptly at 3:00pm. The orientation will last at least two hours, City Park Campus, Building 4, Room 311.**
 - i. This is a mandatory required attendance. If you are not present at this orientation, it will be assumed that you are not interested in being considered as a candidate for the Health Information Technology Program.
 - ii. Completion of written interview questions.
 - iii. Completion of Curriculum and Professional Practice Acknowledgment Forms.
- b. Candidates will be notified of their selection to the Health Information Technology Program via a formal letter submitted via email as stated above.

Program Requirements:

- a. **Must meet all physical/technical standards (see separate form)**
- b. **Purchase books and other technology (computer, headphones/microphone, web camera) to be utilized in the courses**

Delgado Community College assures equal opportunity for all qualified persons without regard to race, religion, sex, national origin, age, disability, marital status or veteran's status in the admission to, participation in, or employment in the programs and activities of the college.

Revised 12/2017 jjj
