**Veterinary Technology Program  
Written Questions**

1. What are your 2 greatest strengths and 2 greatest weaknesses as a person?  
Please discuss each in detail.

2. Have you researched the veterinary technician career? If so, how did you do that? What did you find? Did your research include job shadowing a Registered Veterinary Technician (RVT)?

3. Are you currently working for, or have you worked for a veterinary practice? If yes, please list the practices where you have worked. If yes, what were your favorite duties? What were your least favorite duties? If no, you do not have to answer this question.

4. If you saw one of your classmates in the Program cheating on an examination, what would you do?

5. If you saw one of your classmates in the Program stealing controlled substances (narcotics) at a veterinary practice where you were both doing an Externship, what would you do?

6. Give an example in your life when you have been a "team player". Were you a good team player? Why or why not?

7. What was your greatest challenge/struggle in your life in the past 5 years? How did you deal with this challenge/struggle? Did you make any changes in your life as a result of your challenge/struggle? If yes, what are those changes?

8. Please calculate 4% of 5000. Please show your work.

9. If a doctor tells you to fill a prescription for two antibiotic pills a day for 14 days, how many pills do you need to put in the bottle? Please show your work.
