

Check your LOLA preferred email account for messages about any changes over the summer break.

The curriculum plan for the 2nd semester, Level II, includes five courses: NURS125 (Nursing II); NURS 129 (Special Populations I); NURS 127 (Pharmacology II); PSYC 127 (General Psychology); and BIOL 211 (Microbiology). All five must be completed before enrolling in the 3rd semester nursing courses. Students who enroll concurrently in NURS 125 (Nursing II) and NURS 129 (Special Populations I) must enroll in courses taught by the same faculty team. Four teams are planned for Fall 2019. Registration for Nursing 125 (Nursing II) is Wed, May 22 at 9 am; registration for NURS 129 (Special Populations) and NURS 127 (Pharmacology II) is, Wed May 22 at 10:30 am. There are two face-to-face sections of Pharmacology II and two online Pharmacology sections. Students must register for either the online or the face-to-face Pharmacology course that corresponds with their team. Students who have previously registered for a clinical nursing course (Repeaters) must register for a different team/faculty member unless given permission to do so by the level coordinator.

The clinical component of Nursing II is considered the ‘Home Base’ for enrolled students and some students will rotate to the Special Populations I clinical which is generally scheduled for the same days, e.g. Wed/Thursday. Students who register for Nursing II section 322 and some other students who register for Special Pops I sections 307 and 308 will start their clinical in the Special Populations for the first rotation (Aug 19- Sept 21) and rotate to the Nursing II clinical as their “Home Base” for the remainder of the semester. Students who register in Nursing II sections 322 will email me to select their Nursing II clinical section 320, 321 or 323, these sections will be filled on a first email, first serve basis. Use the following registration tables to register for corresponding sections of the nursing courses. Please follow the TBA sections all the way across and register for the corresponding CRNs.

Students who register for a clinical with a Nursing II instructor that is doing their own Special Pops I clinical must register for the corresponding CRN for that same clinical instructor for Special Pops I. If you do not need both Special Pops I and Nursing II please do not register for sections where the same Nursing II instructor is listed for Special Pops I. Follow the grid all the way across. **If students register for the wrong CRNs they will be placed in the correct section the first week of class. Please adhere to the instructions.**

All students will be oriented to Level II on Monday August 19 from 7-8 am in the Gym. Nursing II will begin at 8am for teams 1 & 2. Pharmacology will begin at 9am for Teams 3 & 4 and 10am for Teams 1 & 2. Plan to spend all **class & clinical** time at CSN 8am-3pm the first week of school even if you have evening or weekend clinical. Plan to wear class casual attire until you receive instructions from your clinical instructor. Sections will be available to drop/add until August 19 at 6 pm.

| Day | Nursing II | Special Pops | Pharmacology II |
|---------|---|--|--|
| Monday | 8-9 ⁵⁰ am Teams 1 & 2 10 ³⁰ am-12 ²⁰ pm Teams 3 & 4 | N/A | 9-9 ⁵⁰ a Team 3 & 4 10-10 ⁵⁰ a Team 1 & 2 |

Time Frames for Special Populations I Clinical Agency Experiences [refer to preceding table for days/times]

Rotation 1: Aug 19– Sept 21 [[Students will be assigned rotation dates the first week of class in August and Nursing II section 322]

Rotation 2: Sept 23 – Oct 12 [Students will be assigned rotation dates the first week of class in August]

Rotation 3: Oct 14 – Nov 2 [Students will be assigned rotation dates the first week of class in August]

Rotation 4: Nov 4 – Nov 23 [Students will be assigned rotation dates the first week of class in August]

NURS 127 Pharmacology II

| Section | Day | Time | Correlated Teams | CRN |
|---------|---------|------------------------|------------------|-------|
| 301 | Monday | 9-9 ⁵⁰ am | Team 3 or 4 | 13270 |
| 302 | Monday | 10-10 ⁵⁰ am | Team 1 or 2 | 11372 |
| W01 | On-line | | Team 3 or 4 | 11574 |
| W02 | On-line | | Team 1 or 2 | 12399 |

Students who plan to enroll **part time** may elect to enroll in a combination of courses with the understanding that there are pre and co-requisites that must be considered.

- NURS 127, **Pharmacology II** requires Nursing 113 and Pharm I as a prerequisite.
- NURS 129, **Special Populations I** requires PSYC 127, General Psychology and NURS 127, Pharmacology II as a pre or co-requisites.
- NURS 125, **Nursing II** requires Pharm II as pre or co-requisite.

Notes:

1. A student repeating a clinical course will not be permitted to register for a section taught by any team or clinical instructor the student had when previously enrolled in that course unless given permission to do so by the level coordinator.
2. If there is no Special Populations I CRN that corresponds to the Nursing II CRN register for a CRN section in the same team.
3. Students enrolled in Special Populations I for the Fall may be contacted to discuss their scheduled time and/or location for Special Populations I because of 'openings' created by the students who previously completed Special Populations I.
