

## Spring 2019 Students - Registration Information NURS 113: Nursing I and NURS 117: Pharmacology I

Dear Students:

Welcome to Charity School of Nursing (CSN) and Nursing I!! Your first semester of nursing school is finally here. It is something that you have been working hard to achieve as you have taken your prerequisites. The Nursing I faculty and the course coordinator want to welcome you to the school and our course. You may be feeling a little apprehension mixed with excitement, and these are normal feelings. In a few short weeks, these feelings will be forgotten as you are challenged to learn a new method of thinking about caring, new skills required of nurses to provide quality patient-centered care and of course, the foundation for your nursing career. In two short years, you will join professional nurses across the country in a profession that is challenging and respected worldwide.

Registration for NURS 113 and NURS 117 students is **December 13, 2018 at 1430.**

Before registering on LoLA, you need to check the registration information posted on the CSN website. You will need to know the time and location of your clinical sites before you register. After registering, it is extremely important to secure your enrollment by paying tuition/making down payment/ensuring that financial aid is in order before the College deadline. **If you do not get the desired clinical section/site, please do not call or email to be added to the section. To change sections after you have registered, you must find another nursing student to switch with you.**

School orientation is **Wednesday, January 9, 2019 from 0830 to 1630 and Thursday, January 10, 2019 from 0800 to 1630** at Charity School of Nursing. Registration is on the first floor, and **you must sign in. Attendance at New Student Orientation is mandatory for both days. Students who do not attend will not be able to begin the program until the following semester (Fall 2019).** The first day of clinical orientation is tentatively set to begin **Saturday, January 19, 2019** for all Level I Saturday clinical groups (**see schedule below for day/ evening and Saturday clinical rotations**). Both Pharmacology I and Nursing I classes are held in the Charity School of Nursing building at 450 S. Claiborne Avenue on Thursdays and Fridays during the spring semester.

Each nursing section is limited to 8 students. **Please do not make work or childcare arrangements until after you have registered for the course.**

**You must ensure that the following requirements are met to register for nursing courses. Pay close attention to the items below:**

1. **TB testing, background check, drug test, health records, CPR and professional liability insurance** should be uploaded to your CastleBranch account by **Tuesday, December 18, 2018:**
