

Dear Transitions students,

Welcome! We are so glad to have you as a student. Please use this grid to register for your Fall 2019 Transitions LPN to RN classes. Your NURS 132 Transitions LPN to RN class is a hybrid course. You will be given a calendar with face-to-face classes and exam dates. Classes and exams are on Wednesdays. Section 301 lab will be on Tuesday, Section 302 lab will be on Tuesday and Section 303 lab will be on Thursday. You will register for only one section. Labs will be online or face-to-face. Again, you will be given a calendar with face-to-face dates. If you are taking Transitions LPN to RN in the fall, you may take Pharmacology for Transitions in the summer or fall. Regardless, Pharmacology must be taken before or with Transitions LPN to RN. Please email me with any questions at [mbarro@dcc.edu](mailto:mbarro@dcc.edu)

Dr. Barrow
