ABOUT

Delgado is licensed by the Louisiana Board of Cosmetology (LBC) to provide students with both theory and practical skills in all phases of hairstyling. Students will also be introduced to manicuring, pedicuring, facial services, and makeup. Our student's practical skills are developed through experience in an on-site salon, which is equipped according to industry standards and managed by the students with instructor supervision. Upon completion of this program, students will receive a Technical Diploma and are eligible to take the LA Board of Cosmetology licensure examination.
