Notes: [^] Please be advised student must complete courses for science majors to fulfill science course requirements to receive the B.S. in Psychology at the University of New Orleans.

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
