You Can Make A Difference!

The Delgado Community College administration has been engaged in strategic planning sessions, identifying long-term needs that will provide for the most critical needs of the college, its students, and the community. The initiatives identified are already embedded within the college operations and have proven successful not only in recruiting and retaining students, but also in assisting individuals with completing their educational goals.

Delgado Community College provides a learning-centered environment in which to prepare students from diverse backgrounds to attain their education, career, and personal goals, to think critically, to demonstrate leadership, and to be productive and responsible citizens.

“Serving the present age is a calling to which Delgado has long subscribed. Please join me now in continuing this emphasis as well as, insuring a bright and viable future for the College and those it serves. Thank you for giving both through your work and your financial contributions. No one knows better than we the importance of educational opportunity and the impact it has on lives and living. Your investment will yield great dividends.

Before the campaign can do the good it is designed to do, it must first do well. Together, let us send a message of commitment and caring”.
