

Polysomnographic Technology Program INFORMATION SESSION

ALLIED HEALTH DIVISION

Delgado welcomes all interested students to our information session on the Polysomnography (Sleep Technology) Program. Learn about the fast growing world of sleep medicine and sleep technology and how you can be a part of this new field!

- See what a sleep lab is really like!
- Learn about admission requirements and curriculum.
- Receive information about obtaining registry and licensure, as well as career opportunities and salaries.
- Flyers, program information, and application forms will be available.

Monday | July 10, 2017 | 1 p.m.
City Park Campus
Building 4 | Room 132
615 City Park Avenue
New Orleans, LA 70119
