Delgado Community College
Spring 2016

Student Support Services Program (TRiO SSS)

Welcome back to all of our TRiO SSS participants!! We hope that you have had a great start to the spring 2016 semester. Our office has officially relocated to **Building 2, Room 204**. Please make plans to visit us soon. We would like to make sure that you are on the **“Right Path”** for graduation. We have a wonderful semester of events planned for you, and it is important that you attend all of them. If you have questions regarding your financial aid, class schedule, or just need to talk with one of our hard working and dedicated team members, please visit us today. We are here to assist you with accomplishing your educational goals.

Our goals for this semester are to continue our mission of recruiting highly motivated and determined SSS participants, increase our persistence, graduation, and transfer rates, offer special interest meetings tailored more to your academic needs, and create more opportunities for you to get involved with community service.

Wishing you a great semester!!

Dr. Theresa DeGruy, Program Director
