

DELGADO INVITED PUBLIC TO FREE EARLY CHILDHOOD EXPO MARCH 25

Delgado invited the public to attend a free Early Childhood EXPO 5 – 7 p.m. on Wednesday, March 25, 2009, in the Lac Maurepas Room on the College's City Park Campus. The second annual event offered access to a broad array of information and community resources promoting health, education, early child care, volunteerism opportunities, job recruitment and other services for children and families in the Greater New Orleans region.

At this year's Early Childhood EXPO, 23 community exhibitors – including schools including schools, service agencies, advocacy groups, employers, child care centers and related businesses – were on hand to share information and tools with attendees. Among the information provided were important details for child caregivers about Safe Haven Laws and SIDS (Sudden Infant Death Syndrome).

The 2009 Early Childhood EXPO was sponsored by the Delgado Student Government Association, Delgado Education Association, Pearson Publishing Corporation and Delgado Care and Development of Young Children program under the direction of Chair and Instructor Diane Cohen.
