

FALL 2009 NON-CREDIT/CONTINUING EDUCATION REGISTRATION STARTS AUG. 24

Delgado Community College's Workforce Development and Education Division is offering a host of exciting Non-credit Classes for fall 2009 semester including Professional Development courses, Continuing Education courses and Workforce Job Training programs. Early registration is being held Aug. 24 – Sept. 4, 2009. Early registration hours are Mon. – Thurs., 9 a.m. – 6 p.m. and Fri., 9 a.m. – 4 p.m. After Sept. 4, students can register for any course up to five days before the class start date throughout the semester.

For more information, email noncredit@dcc.edu, call Leona Harris at (504) 671-6474 or visit www.dcc.edu (Continuing Education section), where you can access a full list of fall classes, course descriptions, schedule details and online registration forms. Registration forms may be submitted by email at noncredit@dcc.edu, by fax to (504) 671-6366 or by mail to the appropriate course location (City Park Campus, West Bank Campus or Northshore site). Registration can also be done in person at Trailer #111 on the City Park Campus, located at 615 City Park Avenue, New Orleans, La..

Fall 2009 Highlights:

- Delgado is now offering **Lean Short and Certification courses**, beginning in fall 2009. Every organization, public or private, has to be concerned with creating value and minimizing waste. Lean Healthcare Solutions provides exclusive training to healthcare professionals, executives, directors, managers, supervisors, college students and others to give them the fundamental knowledge they need to transition into a "lean" culture. Similarly, Lean Manufacturing Solutions arms Manufacturing leaders with visible and commonly-understood metrics of success that apply to each step of the value stream to sustain growth of the enterprise, in revenues, in earnings, and in cash flow. Delgado is offering 11 Lean Healthcare Short Courses, including a 5-day Lean Healthcare Certification course, and 15 Lean Manufacturing Short Courses, including 5-day Lean Manufacturing Certification, 10-day Six Sigma Green Belt Certification and 15-day Six Sigma Black Belt Certification. For detailed information about course content, please call Carlo S. Graffeo Jr. at 1-866-898-6686, ext. 101. For more information about registering for these courses, contact Shelly Tigler at (504) 671-6457 or stigle@dcc.edu.
- Anyone curious about the film making process can benefit from Delgado's new **Editech program**, which consists of six courses covering topics such as editing with final cut pro, sound design and typography. The first two courses in the series, Introduction to the Microsoft Platform and Introduction to Final Cut Pro 6, are being offered in fall 2009.

- Delgado is offering in fall 2009 **licensing or certification courses** including: Personal Fitness Trainer, Lean Manufacturing, Private Investigator, Professional Tour Guide, Notary Public and Food Safety and Sanitation.
- Qualifying adults can participate in **free Intensive Services** (Computer Learning, Basic Skills Upgrade and Job Readiness) training, workshops and tutorials at the Jefferson Business and Career Solutions Center, 1900 Lafayette St. in Gretna, La. Space is limited, so call (504) 361-6542 for more information and to register today.
- In addition to its popular array of Maritime, Fire, Radar and Industrial Training classes, Delgado's Non-credit Professional Development offerings include **online courses** by Gatlin Education Services, ProTrain (formerly Reed) Online Educational Services and Command Spanish. For more information, call (504) 671-6474.

Other fall 2009 Continuing Education offering categories include: Business, Legal, Computer Technology Training, Language and Communication, Home and Garden, Arts and Design, Driver's Education, Skill Building, Food and Beverage, Sports/health/Wellness, Dancing and Special Interest.
