

DELGADO INVITES PUBLIC TO FREE HEALTH CAREER SHOWCASE MARCH 25

Delgado Community College will hold an Allied Health & Nursing Career Showcase, providing information of college programs, financial aid opportunities and career options, on Wednesday, Mar. 25, 2009, 9:00 am – 12:00 noon. The fair will be held in the Michael L. Williamson Complex/Gym in Building 11 on the City Park Campus (615 City Park Avenue, New Orleans, La.). The event is free and open to the public.

Anyone interested in a career in the health field will be able to meet program faculty, in-program students, and receive information on all of Delgado's Allied Health and Nursing programs and courses, as well as financial assistance resources and career opportunities in each of the program fields. Programs include:

- Diagnostic Medical Sonography
- Dietetic Technician
- Emergency Medical Technician
- Funeral Service Education
- Health Information Technology
- Massage Therapy
- Medical Coding
- Medical Laboratory Technician
- Nuclear Medicine Technology
- Nursing (CAN, LPN, RN)
- Occupational Therapy Assistant
- Ophthalmic Medical Assisting
- Pharmacy Technician
- Phlebotomy
- Physical Therapist Assistant
- Radiologic Technology
- Radiation Therapy
- Respiratory Care Technology
- Surgical Technology
- Veterinary Technology

For more information about the showcase, please contact Ms. Brown at (504) 671-5041 or nbrown@dcc.edu. For more information about Delgado Community College and its Allied Health and Nursing programs, visit www.dcc.edu.
