

## DELGADO AND LTC REGION 1 GRADUATE 589 AT SPRING 2009 COMMENCEMENT

Delgado Community College graduated 505 students from the City Park Campus, the West Bank Campus and the Charity School of Nursing, and Louisiana Technical College (LTC) Region 1 West Jefferson and Jefferson Technical Campuses and Slidell Instructional Service Center graduated 84 students on Thursday, May 14, 2009, in Spring 2009 Commencement Exercises at the UNO Lakefront Arena in New Orleans.

Chancellor Ron D. Wright, Ph.D., provided the address to graduates, telling the parable of the chicken farmer and the preacher. After praising each graduate's efforts, and encouraging them to applaud the family, friends and faculty who had helped them reach this education milestone, Dr. Wright drew upon the moral of the parable to advise graduates to ignore petty distraction, fight those who would try to denigrate or define them, and realize the potential for greatness that lies within each of them to "be eagles, not chickens." As his encouragement to "fly like an eagle and let your spirit carry you" was met with jubilant cheers from the audience, Dr. Wright conferred the associate degrees, certificates and diplomas to the proud graduates.

In a traditional Pinning Ceremony held at 7 p.m. on May 13 at St. Joseph's in New Orleans, the Charity School of Nursing Honor Pin as well as the New Orleans District Nurses Association Leadership Award were presented to Clayton Edward Spriggs (pictured, left). The Honor Pin is the highest award presented by the nursing faculty. The honor goes to a graduating student who meets the criteria of character, nursing ability, scholarship, leadership, participation in school activities, positive influence on the student body, and loyalty to the school. Sara Lynne Gentry had the highest nursing program grade point average and also received the Alumni Association-sponsored Sister Blanche McDonnell Award. Melissa Anne Bonnette received the School of Nursing Award of Distinction. These award winners were recognized at Commencement Exercises as well.
