

DELGADO FOUNDATION BOARD AWARDS FACULTY/STAFF ACTIVITY GRANT

The Delgado Foundation Board recently awarded a Faculty/Staff Activity Grant to Lynn Robertson and the Service Learning Initiative to provide recognition award pins. These pins will be given to students for completing service hours, to faculty who integrate service learning in to their existing courses, to staff members who help with service learning projects, and to community partners who become co-educators of our students.

The Foundation Board Faculty/Staff Activity Grant is available to faculty/staff members from all Delgado locations, including Louisiana Technical College (LTC) Region 1 campuses. The maximum funding amount granted per application is \$1000. Detailed guidelines and an application form are available on Doc-U-Share within the Institutional Advancement folder.

The deadline for the next application cycle is Sept. 15, 2008. For more information, please contact Lee Gaffney, Institutional Advancement coordinator, at lgaffn@dcc.edu.
