

**Delgado**  
COMMUNITY COLLEGE

DELGADO, LTC REGION 1 CLOSED NOON ON AUG. 29 – SEPT. 2

Dr. Ron Wright, chancellor, has announced that due to the unpredictable nature of tropical storm Gustav and the possibility of impending severe weather conditions, classes have been cancelled and business operations will be suspended at all **Delgado Community College** locations, including all campuses, learning centers and sites, effective 12 p.m. (noon) on Friday, Aug. 29.

All **Louisiana Technical College (LTC) Region 1** campuses and centers will also be closing effective 12 p.m. (noon) on Friday, Aug. 29.

At this time, Delgado and LTC Region 1 are scheduled to remain closed through Tuesday, Sept. 2.

Delgado's Hurricane Emergency Planning and Response Team is actively following weather advisories for tropical storm Gustav and will communicate further notifications about classes and business operations per ongoing assessment.

The colleges will make updated information available via the website at [www.dcc.edu](http://www.dcc.edu), the Emergency Communication Website at [www.dcc911.com](http://www.dcc911.com), and the Delgado switchboard at (504) 671-5000.

Students, faculty and staff should monitor the websites, local news broadcasts and Delgado email accounts for updated notifications.
