

REP. LAFONTA SPEAKS AT DELGADO ABOUT HEALTHCARE JUN. 25

Delgado faculty, staff and students are invited to attend a free presentation by Louisiana State Representative Juan LaFonta about healthcare reform in America at 1 p.m. on Wednesday, June 25, 2008. Rep. LaFonta will speak in the Lac Maurepas Room on the second floor of the Student Life Center on Delgado's City Park Campus. There will be popcorn available for purchase at the event.

Why is this topic important to you? Did you know that:

- 17.5 million Americans ages 19-34 DO NOT have health insurance?
- Half of all bankruptcies are caused by medical bills? Three-quarters of those filings are made by people WITH health insurance.
- The United States is the only industrialized country in the world without a UNIVERSAL health insurance system?
- Once you are no longer considered a FULL-TIME STUDENT, you cannot be insured under your parents' insurance?

Did you ever think you would ask yourself these questions? You should!

Did you ever want to voice your opinion or ask a question about healthcare to your state representative?

NOW IS YOUR CHANCE! So join us on Wednesday, June 25, and make your voice heard!
