

"IMAGES" SEEKING STUDENT SUBMISSION FOR 2008 ISSUE

The *Images Literary and Visual Arts Magazine* committee is currently selecting the student submissions for the 2008 issue. While they have some very good submissions, they need more!

All students encourage to submit original poetry, prose and artwork (photos, paintings, sketches, and such should be sent as jpg files) for publication. Send your submissions via email to either Missy Diaz (mf Diaz@dcc.edu) or Jan McArthur (jmcart@dcc.edu). For publication in the current issue (to be released in May), the work must be submitted by March 3. Pieces submitted after the deadline will be considered for next year's magazine.

If you have never seen an issue of *Images*, please take a look. For the last couple of years, Delgado design students have created the layout of the magazine and it looks amazing. If you'd like a copy of last year's magazine, stop by the Liberal Arts division in either 115E or 120E.

Please consider this opportunity to have your work published.
