

## WELLNESS 2007 HEALTH FAIR SET FOR OCTOBER 10<sup>TH</sup>

Wellness 2007, presented by Delgado Health Services, will be held 10 a.m. – 3 p.m. on October 10 in the Gymnasium (Building 11, City Park Campus) with the mission of offering information and insight into the health concerns and disabilities prominent in the Louisiana area. All faculty, staff and students are invited to attend free of charge. More than 30 presenters will be participating and offering various services to attendees (see list below).

As part of Wellness 2007, Health Services will be raffling a \$50 credit to the book store, a \$250 voucher towards a “non-credit” course, and a free Fitness Center membership on the day of the fair. Health Services will also be launching its new *Student Health 101* program, which includes a student e-book subscription and 10 monthly issues sent out for FREE to each student. Students will be able to access the September issue and browse through the program at the fair before receiving it in their email.
