GE = General Education course. Grade of "C" or better required for each course in the LT degree.

**Notes :** \* student must choose 1 American Literature course and 1 British Literature course. Highlighted Science course is recommended, but student may choose to complete the sequence to a physical science instead of Biol 142 & 144 (4)

**\* Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
