**Students must consult an advisor prior to selecting courses when completing this form**

Students are advised to declare a major in General Studies prior to enrolling in the last 15 credit hours of course work.

At least 12 credit hours must be taken in courses numbered 200 or above.

At least 15 credit hours must be taken at DCC--9 of which must be in major. And, 12 of the last 15 credit hours must be taken in residence at DCC

No more than 24 credit hours of non-traditional credit may be used toward a degree. (Maximum of 3 credit hours of non-traditional and/or transfer credit together in the last 15 hours)

To facilitate transfer to four-year institutions students should complete Math 130 in lieu of or in addition to Math 120--consider Math 130 as your free elective.

**CAUTION:** It is the responsibility of the student to verify that the credit associated with courses noted on this degree plan is transferable to another institution by checking directly with an agent of the "receiving institution". Acceptance and application of credit is always the prerogative of the receiving institution. DCC advisors may offer an opinion but they cannot speak definitively on this matter. Before selecting this option, i.e., the GSTD, a student who intends to transfer to a four year institution should consider the Associate of Arts Louisiana Transfer Degree or the Associate of Science Louisiana Transfer Degree which would be more appropriate and advantageous.
