

Fall 2021 Students - Registration Information NURS 113: Nursing I and NURS 117: Pharmacology I

Dear Students:

Welcome to Charity School of Nursing (CSN) and Nursing I!! Your first semester of nursing school is finally here. It is something that you have been working hard to achieve as you have taken your prerequisites. The Nursing I faculty and the course coordinator want to welcome you to the school and our course. You may be feeling a little apprehension mixed with excitement, and these are normal feelings. In a few short weeks, these feelings will be forgotten as you are challenged to learn a new method of thinking about caring, new skills required of nurses to provide quality patient-centered care and of course, the foundation for your nursing career. In two short years, you will join professional nurses across the country in a profession that is challenging and respected worldwide.
