### Fall 2020 Level III Registration Information

**Please note: EVERY Section and ALL information is TENTATIVE and subject to change!**

The curriculum plan for the third semester, Level III, includes the following courses:

-NURS 220 (Nursing III), NURS 223 (Special Populations II), NURS 225 (Pharmacology III), and Math 120 or above.

-Students must complete ALL Level III Courses prior to enrolling in the fourth semester nursing courses.

-Students who enroll concurrently in NURS 220 and NURS 223 **are highly encouraged to enroll in the same section of courses taught by the same faculty team; however, if not available, the selection must match the rotation pattern.**

\*\*\*Only **one** clinical rotation can be taken at a time! There are 3 separate five-week rotations throughout the 15-week semester.

- **MANDATORY** Level Orientation is planned to be Monday, August 17 from 11-1 in the Gym. Attendance will be taken. Students should make arrangements to be on campus every day during the first week of classes including students in Saturday clinical groups.

Please make arrangements now; failure to attend orientation will result in an inability to begin the semester. (Est. 9a-4p each day).

-Nursing 220 Clinical includes two 5-week rotations, Adult Med-Surg and Pediatrics, for 12 hours of clinical per week.

-Nursing 223 Clinical includes one 5-week rotation for 9 hours of clinical per week.

#### **Important instructions regarding registration:**

1. Nursing 220- registration will open on June 1 at 8:30.
2. Nursing 223- registration will open on June 1 at 8:30.
3. Nursing 225- registration will open on June 1 at 8:30.  
Select a section which matches your Nursing 220/223 class time pattern: Teams 1 and 4 (8am) or Teams 2 and 3 (10:30am).
4. Pharmacology (NURS 225) is required in order to take either NURS 220 and/or NURS 223. It can also be taken by itself.
5. Sections will not be available for students to drop/add after August 10 at noon.
6. Students registering for NURS 220 or NURS 223 **only**, please email the coordinator, [bdufrel@dcc.edu](mailto:bdufrel@dcc.edu), unless you are repeating the course, because I already know that you only need that one course.

\*\*\*Students who plan to enroll **part-time** may elect to enroll in a combination of courses with the understanding that there are pre and co-requisites that must be considered.
