

Delgado Community College- Charity School of Nursing

Fall 2021 Level III Registration Information

Please note: EVERY Section and ALL information is TENTATIVE and subject to change!

The curriculum plan for the third semester, Level III, includes the following courses:

-NURS 220 (Nursing III), NURS 223 (Special Populations II), NURS 225 (Pharmacology III), and Math 120 or above.

-Students must complete ALL Level III Courses prior to enrolling in the fourth semester nursing courses.

-Students who enroll concurrently in NURS 220 and NURS 223 are encouraged to enroll in the same section of courses taught by the same faculty team; however, if not available, the selection must match the **rotation pattern**.

***Only **one** clinical rotation can be taken at a time! There are 3 separate five-week rotations throughout the 15-week semester.

- **Mandatory** Level Orientation is planned to be Monday, August 16 from 1-3 via Zoom. Attendance will be taken. Students should make arrangements to be on campus every day from Wed, Aug. 18-Fri, Aug. 20 including students in Saturday clinical groups.

Please make arrangements now; failure to attend orientation will result in an inability to begin the semester. (Est. 9a-4p each day).

-Nursing 220 Clinical includes two 5-week rotations, Adult Med-Surg and Pediatrics, for 12 hours of clinical per week.

-Nursing 223 Clinical includes one 5-week rotation for 9 hours of clinical per week.

Important instructions regarding registration:

1. All class and clinical information is subject to change. We are anticipating 25% in person and 75% online classes this Fall, but this all depends on Federal Regulations at that time, especially with regard to social distancing.
2. Nursing 220, 223, 225- registration will open on May 28 at 8:30.
3. Select a section which matches your Nursing 220/223 class time pattern: Teams 1 and 4 (8am) or Teams 2 and 3 (10:30am).
4. Pharmacology (NURS 225) is required in order to take either NURS 220 and/or NURS 223. It can also be taken by itself.
5. Sections will not be available for students to drop/add after August 10 at noon.
6. Students registering for NURS 220 or NURS 223 **only**, please email the coordinator, bdufre1@dcc.edu, unless you are repeating the course. You are allowed to register into any section of Nursing 220/223 you prefer.

ALL Classes highlighted in **BLUE** are designated online classes. Online class delivery will be explained in detail on Orientation Day. If social distancing guidelines change, some sections may allow for more students to attend classes in person. Those decisions will be finalized closer to the start of the semester and communicated to the students at that time.

All classes will have tests administered at the School of Nursing whether class is delivered in person or online. Online testing will not be offered in the Fall 2021 semester. The course calendars with testing dates will be available on Canvas approx. 1 week prior to the start of classes.

Please note: EVERY Section and ALL information is TENTATIVE and subject to change dependent upon Federal, State, and Local Governmental Regulations, especially in regard to social distancing!
