Fall 2023 Level III Registration Information

Please note: Every section and all information are tentative and subject to change!

The curriculum plan for the third semester, Level III, includes the following courses:

-NURS 220 (Nursing III), NURS 223 (Special Populations II), NURS 225 (Pharmacology III), and Math 120 or above.

-Students must complete ALL Level III Courses prior to enrolling in the fourth semester nursing courses.

-Students who enroll concurrently in NURS 220 and NURS 223 are encouraged to enroll in the same section of courses taught by the same faculty team; however, if not available, the selection must match the rotation pattern.

***Only one clinical rotation can be taken at a time! There are 3 separate five-week rotations throughout the 15-week semester.

- Mandatory Level Orientation will be Monday, August 14, time and location TBD. Attendance will be taken. Students should plan to be on campus every day from Wednesday Aug. 16-Friday Aug. 18 including students in Saturday clinical groups. Clinical orientations are held at the CSN on Thurs (Wed or Thurs clinical) or Friday for weekday groups and Saturday for weekend groups. Please plan now; failure to attend orientation will result in an inability to begin the semester. (Est. 9a-4p each day).

-Nursing 220 Clinical includes two 5-week rotations, Adult Med-Surg and Pediatrics, for 12 hours of clinical per week.

-Nursing 223 Clinical includes one 5-week rotation for 9 hours of clinical per week.
