

**Congratulations on reaching Level IV. Your faculty and I welcome you to your final semester of your journey to becoming a registered nurse (RN)!**

**The clinical rotation grid for Fall 2020 is included below. You will register for 2 classes. NURS 235 Nursing IV and NURS 267 Clinical Reasoning and Decision Making. You must register for the NURS 267 class that is on the page with your Team NURS 235 course. If the class is full, Do Not register for another class. Contact me at ([mbarro@dcc.edu](mailto:mbarro@dcc.edu)) and I will get you in the correct class. There will be room for everyone. The calendars will be posted as soon as available.**

**Students that take a 12-hour clinical will have hours added to make sure you have enough clinical hours. This will be decided by your clinical instructor and you will be notified. This semester is packed with tons of information and experiences. It will be over before you know it and you will be receiving your pin and diploma.**

**You can do this!!!!!!!!!!!!!!!**
