The curriculum plan for the third semester, Level III, includes the following courses:

-NURS 220 (Nursing III), NURS 223 (Special Populations II), NURS 225 (Pharmacology III), and Math 120 or above.

-Students must complete ALL Level III Courses prior to enrolling in the fourth semester nursing courses.

-Students who enroll concurrently in NURS 220 and NURS 223 are encouraged to enroll in the same section of courses taught by the same faculty team; however, if not available, the selection must match the rotation pattern.

*Only one clinical rotation can be taken at a time! There are 3 separate five-week rotations throughout the 15-week semester.

-Nursing 220 Clinical includes two 5-week rotations, Adult Med-Surg and Pediatric Med-Surg, for 12 hours of clinical per week.

-Nursing 223 Clinical includes one 5-week rotation in Labor & Delivery, Nursery, Postpartum for 9 hours of clinical per week.

Mandatory Level Orientation is planned to be Tuesday, January 16 from 9-11am in the Lac Pontchartrain Room in the Student Life Center. Failure to attend orientation will result in the inability to begin the semester. Students should plan to be on campus Tuesday, Wednesday and Thursday, Friday, or Saturday, depending on the scheduled day of the first clinical rotation. (3 days that week).

All Level III clinical students must take the Medication Competency exam in person on Wednesday, January 17 at 9am.
