

Dear Transitions students,

**Welcome!** Please use this grid to register for your Summer 2020 **Transitions LPN to RN** classes. You will see registration for **NURS 132 Transitions LPN to RN and NURS 133 Pharmacology for Transitions**. You must take **NURS 133 Pharmacology for Transitions**. You may take **NURS 132 Transitions LPN to RN** as well, but you have to take Pharmacology. Pharmacology must be taken before or with Transitions LPN to RN. You will have online Zoom meetings for your Lab classes. You will be given a calendar with exam dates. You will register for only one section. For summer classes, you must have a computer with Windows or a Mac. You will need a camera, microphone and speakers. You will need this for testing as well. You cannot use a Chromebook or iPad. Please email me with any questions at [mbarro@dcc.edu](mailto:mbarro@dcc.edu)

**\*\*This is a tentative schedule and is subject to change\*\***

Dr. Barrow
