

STUDENT PERFORMANCE & ACHIEVEMENT:

Electrical / Electronic
Engineering Technology

Here's a snapshot of our students' performance and achievements!
All data was calculated using NAIC reports, enrollment reports,
and /or student survey results between 2023-2025.

ENROLLMENT, RETENTION, & GRADUATION

Average Enrollment per year: **119** and growing!
students

42%
Retention Rate (fall to fall)

Graduation Rate

Rate of students who complete the program
with in 6 years of their initial start date

67%

OUR STUDENTS EXCEL

3.06 Average GPA of graduating class

Average GPA of all students in the program: **2.29**

Many of our graduates complete
the program with an honors designation!

& OUR STUDENTS WORK!

Average Placement Rate
measured one year post graduation **62.5%**

MORE THAN HALF of all graduates
report earning a promotion with in five years of graduation,
with many reporting advancement and leadership positions.

95% IBC ACHIEVEMENT
