Help Combat Eye Strain

Staring at a computer for hours on end can take a toll on your vision. The blurred edges of computerized typeface force your eye to constantly focus in and out for hours on end, which can lead to headaches and fatigue.

Here is a FREE tool to help prevent eye strain!

PangoBright dims the light on your screen according to your preference.

Food for Thought: Cost Savings during the COVID-19 Pandemic

While business closures and restrictions on activities may be inconvenient and frustrating, be sure not to overlook the following other benefits you may be able to take advantage of during this time, including the following and more.

- Lower interest rates
- Lower car insurance rates
- Less spending on dry cleaners, gas, car repairs, salons, department stores, etc.
- Cleaner environment due to fewer vehicles on road
